Respected Sir,

I, the undersigned Bigli Lottappa, a member of Ganga Lakkalu coming of Parihar town, most humbly and respectfully beg to bring the following few lines to your kind and sympathetic consideration with a view that my humble prayer would meet with success --

In this connection I may be permitted to mention here that there are over 80 houses of my community at Parihar town None from the above community has been represented in the Parihar Municipal Council and as a result of which much hardship and inconveniences is experienced by Ganga Lakkalu community to represent their grievances and to get necessary redress from the municipality

That in the municipal election held on and December 1943, Members of Lingayet, Brahmin, Muslims and Chippaga communities have been adequately represented

In this connection I may be permitted to mention here that even in the nomination list submitted to your goodself only candidates from Lingayet, Brahmin, Chippagas are being proposed, whose communities have already been elected through election, but not even a single name belonging to my community have been proposed

There are nearly 1000 people of Ganga kakalu and hence it requires a proper representation in the municipal council and also as this community being a backward one

I have served as a municipal Councillor in the Parihar Town Municipality for a period of 15 years and during the period, I have served not only the municipality but also the public

1

In the light of the above circumstances, may I request your goodself to be kind enough to call for the records pertaining to nomination of municipal councillors of the above municipality and kindly order for taking me as a nominated member to the said municipality. For which act of benevolence my community as a whole will be ever greatly indebted to you, Respected sir

I beg to remain,
Respected sir,
Your most obedient servant
[illegible]
